16 fl oz (473 mL)

Caution: KEEP OUT OF REACH OF CHILDREN.

Permanent staining can occur. Protective clothing including gloves, goggles, and a breathing mask should be worn at all times to prevent the possibility of irritation and/or staining of skin from occurring. Wash hands after use. If irritation occurs, flush with water for at least 15 minutes. Avoid overspray when using in windy conditions. Spray only on areas desired to turn to green. It is suggested to cover surrounding areas not desired to be sprayed. Rinse immediately from driveways, sidewalks or other areas if accidental overspray occurs. While this product is considered non-toxic when properly used, avoid contact with eyes and avoid ingestion. If accidental eye contact or ingestion does occur, consult a physician. Wipe bottle with paper towel after use. Do not reuse this container.

Directions: Remove any loose dead grass or debris. Apply to dry grass only. Shake and spray from approximately 4 to 6 inches away. Start at center of stain or discolored grass and move out toward edges. Be sure grass remains dry while colorant adheres, approximately one hour. Enjoy your improved curb appeal!

How To:

1. Prior to spraying, the lawn should be mowed, dry, and free of debris.
2. Begin by spraying the center of the discolored area and work toward the edges. Spray approximately 4 to 6 inches above the grass.
3. Allow grass to dry completely before allowing pets or children near area.
4. For darker shades of green simply apply additional coats.

Recommendations:

- Avoid using in windy conditions
- Avoid using when rain is forecasted within 8 hours
- Avoid overwatering

While this product is non-toxic when used as directed, the following is recommended for safety:

- Wear gloves
- Store out of reach of children
- Wear goggles

Tips for Application:

Carefully apply to edges to avoid concrete, pavers, landscaping, fences or other surrounding areas.

Spray may stain:

- Clothing
- Siding
- Wood
- Concrete
- Brick
- Other Plants

If accidental overspray occurs, immediately remove with water prior to drying. Avoid contact with eyes, in case of accidental contact, flush eyes with water. If irritation persists, see a physician.
