Cleans turf pigment and other tough stains including yellow herbicide iron stains. Cleans grease, grass, grime and other golf course maintenance jobs.

INGREDIENTS: Methyl Ester (*from soybean oils*), C11 Alcohol Ethoxylate (*from plant oils*), Rust Protectant

INSTRUCTIONS: Shake well. Spray on and allow short dwell time. Wipe off with cloth or steel wool pad. Wipe away residue.

PRECAUTIONS: In case of contact with eyes, flush with water thoroughly. Avoid direct contact with flame.
