MADE IN USA

PRODUCT DESCRIPTION

ENDURANT Mulch Colorant is a liquid pigment, available in four blendable colors, which instantly and inexpensively enhances a landscape's appearance, refreshing existing faded installations with an unlimited range of shades. An additional benefit of on-site coloring is the elimination of the significant upcharges associated with purchasing colored mulches, which means this product will immediately begin paying for itself.

The application process is simple, which allows users to easily achieve a professional look while avoiding the cost and effort of spreading additional materials. Results are long-lasting, and best of all this all-natural product will not harm the environment. A wide range of readily available sprayer and nozzle types can be used to apply ENDURANT Mulch Colorant.
