

# ENDURANT

*MAKE A LASTING  
IMPRESSION*

**1** Gallon

**MADE IN USA**

## PRODUCT DESCRIPTION

Endurant Palm Colorant is an easy and non-toxic way to protect your palm tree from several different problems. The process is easy, economical and only needs to be done once per year.

- Improves visibility
- Non-toxic
- Organic based pigment
- Water based
- Improved visual appearance
- Environmentally Safe

## DIRECTIONS FOR USE

Endurant Palm Colorant can be applied by brush or spray techniques using various spray equipment depending on desired depth of shade. It may be used full strength or diluted up to 10:1 with water depending on depth of shade desired. For increased adhesion and longevity add 1-3 oz per gallon of Endurant Spray n Stay based on the final mix bath volume of paint and water to be spray.

## EQUIPMENT NOTICE

Please consult with your sales/technical representative for simple replacement recommendations. Rinse spray tank, screens, and soak nozzles thoroughly after using any colorant.

Endurant Palm Colorant is tank mix compatible with numerous pesticides, herbicides, fungicides and fertilizers. Performing a standard compatibility jar test is strongly recommended for any tank mixtures. DO NOT combine any other products containing additional pigments to Endurant Palm Colorant as a negative discoloration of the product may occur.

## PRECAUTIONS

Keep Out of Reach of Children. Avoid contact with skin and wash immediately should this occur with soap and water. In case of eye contact, wash thoroughly with water. If irritation persists, contact a physician immediately.
