ENDURANT SAND COLORANT

1 Gallon
MADE IN USA

PRODUCT DESCRIPTION

Endurant Sand Colorant enables users to easily create their own batches of green sand in just the right shade without having to place large orders or reserve space for both treated and untreated material. The application process is simple and results are long-lasting. Whether for use customizing a divot repair mix or for tee boxes and/or for the driving range, colored sand makes for a more even visual impact which insures the course will look its best despite the unavoidable wear and tear of regular play.

Endurant Sand Colorant imparts a natural green color to divot sand mixes. It contains a binding system which locks the ultrafast green pigment to the sand particles. Endurant Sand Colorant is safe and easy to use. It is formulated with a highly concentrated eco-friendly pigment system.
