

## PRODUCT DESCRIPTION

Endurant turf colorant is an Eco-friendly, organic based product made for the color enhancement of turfgrass. The Home Blend formulation ensures the color remains a natural looking green that is consistent with healthy lawns and grass. Endurant Home Blend formulation can be used on: **Golf courses, athletic fields, parks and home lawns.**

## DIRECTION FOR USE

Shake or agitate well before mixing.

- Prior to applying Endurant, cut turf to desired height. Blow surface free of debris including clippings and leaves.
- Mix 8 oz. (236ml) of Endurant Home Blend turf colorant in 1 gallon (3.78 L) of water. For a more intense shade reduce the amount of water.
- 8 oz. of Endurant Home Blend turf colorant mixed with water should cover approximately 625-750 sq. ft. of turf. The area and rates covered will vary dependent upon factors including turf condition, equipment calibration, depth of desired color, and amount of green leaf tissue available due to approaching or existing dormancy.
- Avoid overspray on areas such as curbing, concrete, tee markers, or other objects where color is not desired.
- Endurant Home Blend is compatible with numerous pesticides, herbicides, fungicides and fertilizers.
