

The easy way to keep mulch fresh-looking and vibrant

Equipment and supplies needed:

Garden Pump-up Sprayer, Water, Endurant Mulch Colorant

Directions for applying Endurant™ Mulch, Bark and Pine straw colorant

1. Shake Endurant Mulch Colorant well before using*.
2. Add 8 ounces of Endurant Mulch Colorant per gallon of water to your household garden sprayer.
3. Mix/shake well.
4. Spray mixture onto mulch, bark or pine straw carefully avoiding concrete areas, pavers, fences and plant material**.
5. Let dry.
6. If a darker shade is desired, reapply to the desired color depth.

Warning/Caution:

This product **will stain plants, rocks, sidewalks, driveways or porous substrates. If unwanted overspray occurs, rinse immediately with water.

Storage/Disposal:

Store in a cool, dry location. Avoid freezing. Dispose of empty container in waste bin when done.

Caution:

If contact with eyes occurs, flush with large amounts of water for 15 minutes. Seek medical attention. If contact with skin occurs, wash with soap and water.

KEEP OUT OF REACH OF CHILDREN
